Dear Mr. and Mrs. Rao:

My husband and I want to thank you for the invitation to see you dance last night and to tell you it was a most exciting experience for us. We saw your entire program and when it ended, we kept wishing for more and more. This was our first opportunity of seeing the true Art of Indian dancing and we can now only hope for more such opportunities. Thank you both sincerely for letting us participate in such an evening.

There is much we would love to ask you & about and have an opportunity of knowing you better. Would it be possible for you to dine with us coming Saturday, June 1st, say eight o' clock at our bungalow at the Bangalore Club? Will you please let me know when you reply if you prefer vegetarian food, that is of course if you are free that evening.

We look forward to seeing you and thank you in person for an inspiring performance.

Sincerely,

Sd. RETAVON WARNELS.
